

Check out the new **Biolabs Reuse Room**

Reduce, reuse, &
recycle to keep
Biology green!

The following items are accepted:

- Empty, clean Styrofoam coolers with return address labels and postage affixed (i.e. New England Biolabs, Sigma Aldrich, and other vendors with take-back programs)
- New England Biolabs gel ice packs
- Small electronic waste (cd's, phone chargers, batteries, etc.)
- Functioning lab or office supplies for reuse

The following items are NOT accepted:

- Styrofoam coolers without return labels
- Gel ice packs from vendors other than NEB
- Broken lab equipment

*Located in Biology Room 1041. Please contact the FAS Green Program
with any questions at energy@fas.harvard.edu.*
